End User License Agreement (EULA)

Commercial/Published Users

The original licensee of this collection is authorized to use any texture/pattern file herein to create compilations such as rendered images, pre-rendered animations, or any other rendered output in any format for personal and/or commercial use, so long as the compilations do not compete with content in this collection. This license is non-transferable and content shall only be used by the original licensee.

Non-commercial Personal Users

The user of this collection may use any texture/pattern file herein for non-commercial and personal uses that are not published works in any media form, including digital formats, internet or web pages, file sharing, hardcopies, or any other form of publishing not listed.

All Users

The user may not modify, reverse engineer, decompile, disassemble, or create derivative works from the files in this collection. The user shall not give, share, distribute, sell, rent, lease, sublicense, or otherwise transfer any content from this collection in any form, to include other collected works, without the prior written consent of the copyright owner. Use of one or more of the files in this collection by any person or organization signifies acceptance of this license and all terms herein, and any agreements imposed by authorized resellers of this collection.

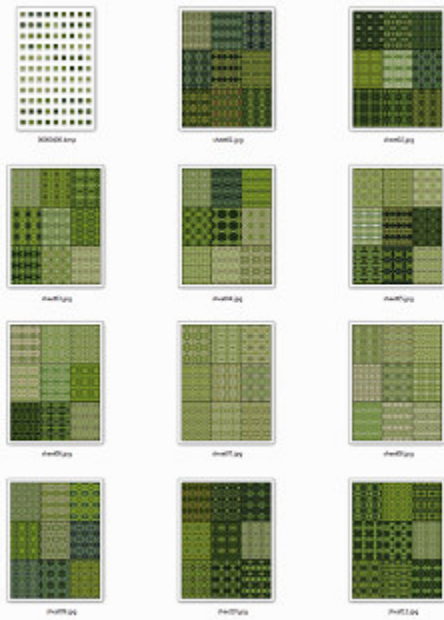

Description

This collection consists of 495 original texture patterns by RoLoW suitable for use as desktop wallpaper for your PC, scrapbooking card stock for photo projects, background imagery, or clothing & materials for 3D modeling objects.
